

Rolling Tablet Stand

Introducing our Rolling VESA Stand, a height-adjustable, mobile solution designed for healthcare environments. Engineered to enhance patient care, it streamlines workflows, improves communication, and boosts productivity, ensuring a seamless care experience.

VESA Compatible

Compatible with 75mm and 100mm VESA mounts. This stand supports up to 11.02 lbs (5 kg) and offers a 15-degree tilt movement, enhancing viewing flexibility in any setting. Ideal for dynamic environments requiring robust, adaptable display solutions.

Smooth Mobility

Our Rolling Stand's wheels are constructed with durable ABS, featuring a five-wheel design with brakes for smooth, easy maneuvering in medical settings. This ensures effortless navigation and stability, making it a vital asset for healthcare professionals.

Add On Accessories

Easy Grip Handle

Enhance the mobility of your Rolling Stand seamlessly by integrating the Easy Grip Handle.

Multi Storage Basket

Upgrade the functionality of your Rolling Stand with the Multi Storage Basket. Featuring an internal storage size of 10.24" x 6.69" (260mm x 170mm).

Tablet Holder

Attach our lockable and durable Tablet Holder to your Rolling Stand for seamless interactivity. Compatible with a wide range of iPad and Android devices.
